## Hollywood Undead

Hollywood, we never going down  
Hollywood, we never going down  
Hollywood, we never going down And all the kids in the hood come on wave and shake your hands  
Hollywood, we never going down  
And when you're drunk shake that ass like you know how to dance  
Hollywood, we never going down Start getting loud, I wanna party now  
If you hate on Undead that's a party foul  
I only drink Mickey's, I can't afford the cans  
I drink so much they call me Charlie 40 Hands If the keg is tapped, then you're getting capped  
Take your girl to the sack and we'll take a nap  
Ladies drink them fast so I can have a blast  
You got your beer gog's on and I'm getting ass Like, oh my God, is that Charlie Scene?  
Ladies show me your treats like it's Halloween  
You got fake I.D. and you're 17  
I'm a complete catastrophe buzzing around you like a bumblebee So let's take some shots  
Do a beer run and flip off a cop  
Girls give me props and they're on my jock  
Paris Hilton said that's hot, when she saw my cock, that's hot And all the kids in the hood come on wave and  
shake your hands  
Hollywood, we never going down  
And when you're drunk shake that ass like you know how to dance  
Hollywood, we never going down I'm about to serve it up for all you party goers  
Scene kids, Meat Heads, Alchi's, Stoners  
Dancing around like a bunch of faggots  
Funnier than fuck, you can ask Bob Saggot I never claimed that I knew how to dance  
But I'll get drunk, get high and pull down my pants  
So fuck five bucks, just fill up my cup  
Don't kiss me bitch, you just threw up Now I'm drunk as fuck about to pass out  
Destination your mother's couch  
Dude, is it really true you screwed my mom?  
Fuck yeah bro, that pussy was bomb So I'm hopping, jumping, sipping, and skipping  
It's nights like these that we all love living  
So take out your hands and throw the H.U. up  
Now wave it around like you don't give a fuck, check please And all the kids in the hood come on wave and  
shake your hands  
Hollywood we never going down  
And when you're drunk shake that ass like you know how to dance  
Hollywood we never going down Can't stop, won't stop, Charlie make the booty drop  
Can't stop, won't stop, Johnny make the booty drop

Can't stop, won't stop, J make the booty drop  
Can't stop, won't stop, Peters make the booty dropCan't stop, won't stop, Kurlzz make the booty drop  
Can't stop, won't stop, Funny make the booty drop  
Can't stop, won't stop, let me see the panties drop  
Producers on the dance floor, let me see your booty popGrab your drink, get on the floor  
Grab your drink and get on the floor  
Let's dance in the hood, shake that ass HollywoodAnd all the kids in the hood come on wave and shake your  
hands  
Hollywood, we never going down  
And when you're drunk shake that ass like you know how to dance  
Hollywood, we never going downLet's dance in the hood, shake that ass Hollywood  
Hollywood, we never going down  
Let's dance in the hood, shake that ass Hollywood  
Hollywood, we never going down
