

I Lost All Love 4 You

Delta Goodrem

when you walked into my life with your muddy shoes on and your baggage claim ticket one night

I thought it'd be ok because there was something about you that made me feel somehow safe

I gave too much to you, you took it all away

and finally I had no more to give

so don't try to come back and break me down

I am standing so much stronger now

I have lost my love

I have lost my love

I have lost my love for you

every little bit, every part of it

there is nothing more to do

I have lost my faith

I have lost my faith in everything you said was true

when the dust has settled down

I realise I lost the love for you

I lost my belief in your tired excuses and the reasons why you weren't there

I cried myself to sleep and now i'm back on my feet

I don't need anything more from you

so go and live your life, find another wife

take her to that stupid restaurant you like

I have lost my love

I have lost my love

I have lost my love for you

every little bit every part of it

there is nothing more to do

I have lost my faith

I have lost my faith in everything you said was true

when the dust has settled down

I realise I lost the love for you

it's the same old story

now my life before me is beautiful

and it's waiting for me

cause I found myself yeah I found myself

so I'll learn a lot from you

I will never change, not for someone else

my own woman through and through

I have lost my love

I have lost my love

I have lost my love for you
every little bit, every part of it
there is nothing more to do

I have lost my faith
I have lost my faith, in everything you said was true
cause when the dust has settled down
I realise I lost the love for you
I lost the love for you
