The Perfect Drug

Ed Rush, Optical & Matrix

You are the perfect drug
You are the perfect drugYou are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drugYou are the perfect drugYou are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drug
You are the perfect drug, the perfect drug, the perfect drugYou are drug, drug, drug
You are drug, drug, drug
You are drug, drug, drug
You are drug, drug, drugTake me with you
Take me with you
Take me with you
Take me with you
Take me with youTake me with you
Take me with you
