Once I'm in the zone ain't no stoppin' me

It's like that whodi, I want to be your lady
It's like that whodi, why won't you be my baby
It's like that whodi can't no girl fade me
Meet me at the skatin' rinkOh Romeo give me a chance

Walk me home from school anyway

I know, I know

And these lil mommy's can't keep their hands off me
When you see me in the streets holla, "What's up doc?"
I gotta a bugs bunny chain wit a matchin' watchI make you jump like Kris Kross, bounce like Bow
I'm the next generation, I came to lock it down
I'm a little boy, but live a big man's life
I got girls passin' up wanna be my wifeI got grown women wanna be in my life
By the time I reach 18, I'm not gon' be nothin' nice
I'm that R O M E O, and after high school
I'm goin' straight to the pros bounce, bounceOh Romeo give me a chance
Too young I don't need a girlfriend
Walk me home from school anyway
