

Do Nothin' Till You Hear from Me

Harry Connick, Jr.

Do nothin' till you hear from me
Pay no attention to what's said
Why one should tear the seam of anyone's dream
It's over my head Do nothin' till you hear from me
At least consider our romance
If you should take the word of others you heard
Baby, I haven't a chance True, I've been seen
With someone new
That doesn't mean
I've been untrue While we're apart
The words in my heart
Reveal how I feel about you
