Circle

Plus One

I'll trust You now
I'll trust Your plan for my tomorrow
I'll take the vow
I'll take Your hand and I will followYou're the center of it all
And my life just revolves
You're the center of it allI'll stay right beside Your altar
And I'll leave to carry on with praise
I'll make this life a never ending circle
Of worship to YouYou healed my heart
Scattered apart in tiny pieces
So I'll do my part
A love that starts and never ceasesYou're the center of it all
And my life just revolves
You're the center of it allI'll stay right beside Your altar
And I'll leave to carry on with praise
I'll make this life a never ending circle
Of worship to You, oh for YouWell You're the center of it all
And my life just revolves around You
All around YouI'll stay right beside Your altar
And I'll leave to carry on with praise
I'll make this life a never ending circle
Of worship to You, for You
It's all for You
