

Ripped Apart (live)

DevilDriver

Through Stones
even though you live in a glass House of your own
And I don't Simpathize or Critasize
Memorize it,
You got something to say,
You got nothing on me, Nothing on me
Memorize it,
You Keep repeating yourself
You got nothing on me, Nothing on me
2nd wind
2nd Sight
2nd Skin
Pulled within,
Ripped Apart
Ripped Apart
On Sight

It's Fucked Up
It's like a razor blade
You wanna use it and use it right
And I dont Compromize or Socialize
Memorize it,
You got something to say,
You got nothing on me, Nothing on me
Memorize it,
You got nothing on me nothing on me
2nd wind
2nd skin
2nd sight
pulled within
Ripped Apart
Ripped Apart
On Sight

Ripped Apart, Ripped Apart, Ripped Apart, Ripped Apart, Ripped Apart, Ripped Apart, Ripped Apart, Ripped
Apart, Ripped Apart, Ripped Apart, Ripped Apart, Ripped Apart
Goddamn
