

# Stormtrooper in Drag

Gary Numan

So here am I  
Quite by chance near the phone  
I could call and make you crawl into bed Questions always questions  
I'll just speak in slow motion  
About obsessions with boys on the floor Take that smile off your face  
Wipe that tear from your eye  
Don't say sorry for me  
Take that smile off your face  
Wipe that tear from your eye  
Don't say sorry for me Now look at me  
Like a stormtrooper in drag  
I'll bet you feel exactly like I do  
It's so disgusting  
I'm so tired of  
Rhythm and needles in arms  
I don't want your point of view Nothing to do  
Nothing to steal  
And there's nothing to say  
Nothing to do  
Nothing to steal  
And there's nothing to say Oh, don't cry  
Love it, love it  
I need to Stop it
