I Don't Know

Immature

I don't know if you don't know
Where our love should go
Lovin you's impossible
Girl I don't know
Where our love should go
Lovin you's impossibleYou call me late at night
Tryin to start a fight
Girl you know you've changed
I won't play these games
I sit and reminisce
Of us just kickin it
Now you wanna trip, I'm not havin itI don't know if you don't know
Where our love should go
Lovin you's impossible
Girl I don't know
Where our love should go
Lovin you's impossibleI don't wanna front
You used to treat me right
I don't understand
What happened to our plan
No man's supposed to cry
But girl I can't deny what I feel inside
These feelings I can't hideI don't know if you don't know
Where our love should go
Lovin you's impossible
Girl I don't know
Where our love should go
Lovin you's impossible
