

# Gates of Glory

## Half Japanese

Standing at the gates of glory  
Memphis, Tennessee  
This is where you used to live  
The man, the myth, the bedroom  
Standing at the gates of glory  
Standing here in awe  
Walking where you used to walk  
Seeing what you saw Standing at the gates of glory  
Memphis, Tennessee  
This is where you used to live  
The man, the myth, the bedroom  
Standing at the gates of glory  
Standing here in awe  
Walking where you used to walk  
Seeing what you saw This is where you used to live  
The man, the myth, the bedroom  
Standing at the gates of glory  
Where we used to be  
Standing at the gates of glory  
Tammy, John and me  
Standing at the gates of glory  
Memphis, Tennessee
