This Time

Starsailor

In that moment I was frozen out
Of a story that I knew all about
Then I called her in the evening
My depression started liftingI won't let it kill me
This time

I won't let it kill me

This timeUp to the surface came a feeling Left me useless, left me reelingI won't let it kill me

This time

I won't let it kill me

This timeWhen the beats run dry there's gonna be some blood

When the beats run dry there's gonna be some blood

When the beats run dry there's gonna be some blood

When the beats run dry there's gonna be some blood

When the beats run dry there's gonna be some blood When the beats run dry there's gonna be some bloodI won't let it kill me

This time

I won't let it kill me
This timeI won't let it kill me
This time
I won't let it kill me
This time
I won't let it kill me
This time
I won't let it kill me
This time
