

# Velvet Itch

## Bass Drum of Death

I got a velvet  
I got a velvet itch in my jeans  
I got a velvet  
I got a velvet itch in my jeans

Can you scratch it  
Can you scratch it  
Can you scratch it  
Can you scratch it, scratch it for me

I got a medecine  
I got a medecine in my weed  
I got a medecine  
I got a medecine in my weed

Oh yeah, I'm bastard  
Oh yeah, I'm bastard  
Oh yeah, I'm bastard  
Oh yeah, I'm bastard aaah you set me free

I talk to Elvis  
I talk to Elvis in my sleep  
I talk to Elvis  
I talk to Elvis in my sleep

He said I'm cracked out  
Oh yeah, I'm cracked out  
Oh yeah, I'm cracked out  
But at least, I got nowhere to be  
nowhere to be

I've got an itch (7xs)
