

Mud In Any Water

Tanita Tikaram

Brother, won't you walk in town?
Don't you ever wanna stray?
See, I've been seeing someone in this town
And they don't wanna stayMud in any water, see you
See you laugh and sing
Everybody will be happy
Everybody will bringMud in any water, bring me
Never want to be alone
Can't you ever sense it, send me
Somebody bring me homeMud in any water
He brings, he don't wanna shy today
'Cause the people want their friends
But they don't want their friends true
'Cause the people want their friends
But they don't want their friends trueMud in any water, want you
Want you to laugh and sing
Everybody will be happy
Everybody will bringHave a shot at any heaven
Have a shot at any heart
Have a shot at where you're taking
Maybe let me know my heartHeaven seller, heaven celebrate
Helps to bring us all around
Mud in any water's danger
But you look to where it's foundI got shot of any harbor
I got shot of any trial
Where the people are so open
Where my openness a childMud in any water, see you
See you laugh and sing
Everybody will be happy
Everybody will bring
