

# We're An American Band

## Poison

Like this...On the road for forty days  
Last night in little rock put me in a haze  
Sweet, sweet Connie she's doin' her act  
She stole the whole show and that's a natural fact  
Up all night with Freddy King  
I got to tell you pokers his thing  
Booze n' ladies treat me right  
As long as we can make it to the show tonight[Chorus:]  
We're an American band  
We're an American band  
We're coming to your town, well help you party it down  
We're an American bandFour young chiquita's in Omaha  
Was waitin' for the band to return from the show  
Feelin' good, feelin' right, its Saturday night  
The hotel detective he was outta sight  
Now, these fine ladies, they had a plan,  
They was out to hang with me and the band  
They said, come on, dudes, lets get it on  
And Poison tore that hotel down.[Chorus x2]Come on C.C. play that thing[Chorus x2]Were an American band,  
ooh-ooh  
Were an American band, ooh-ooh  
Were an American band, ooh-ooh
