Sister moon

Gene Clark

Sister Moon, Come Lead Me Down
To Rest My Weary Head
Walked A Million Miles Along
The Road Of No RegretI've Been A Fool, I've Messed Around...
A Lock Without A Key
Waiting For The Morning Sun
To Make It Shine On MeSo Long, Lonely Days
Take Me Back Where I Belong
It's all Gone, It's All Behind
Hope You Don't Mind
Hope You Don't Mind
Hope You Don't Mind
Too Many Times I Lost The Grip
Was Worn Out On The Floor
Fallen Angel, Don't Loose Your Wings
Cuz' You'll Never Fly No More
So Long, Lonely Days
Take Me Back Where I Belong
It's all Gone, It's All Behind
Hope You Don't Mind
Hope You Don't Mind
Hope You Don't Mind
