The Habit That Kicks Itself

Mclusky

Heard you all got soaked
He's a big boy, shoot it well
Heard you made remarkable time
And delay in the mind of a cousin is fine still
'Cos she's so in love 'til she's not in love
But she won't try that cocaine againJimmy Connors
Early warnings
Jimmy Connors
Early warningsJimmy Connors
Early warnings
Jimmy, JimmyHeard you all got killed
Disappointing, here you are
Heard the abcess clawed at your mouth
And medical science lamented its growth still
'Cos she's so in love 'til she's not in love
And she won't try that cocaine againJimmy Connors
Early warnings
Jimmy Connors
Early warningsJimmy Connors
Early warnings
Jimmy Connors
Early warningsJimmy Connors
Early warnings
Jimmy Connors
Early warningsJimmy Connors
Early warnings
