

# Landlord (Live 1979)

## The Police

I don't want to rent a house from you  
I don't know how you can expect me to  
I ain't moving 'cause I know my rights  
Too many homeless on the streets at night You own a street and a block of flats  
You earn your living like the other rats  
You've no morality, what do you care  
You deal in poverty, you buy despair I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some You go and call yourself a business man  
You're just a parasite on Pyllosan  
You're just a middle class middle aged shit  
You sold your granny for a three-penny bit You own a street and a block of flats  
You earn your living like the other rats  
You've no morality, what do you care  
You deal in poverty, you buy despair I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some You go and call yourself a business man  
You're just a parasite on Pyllosan  
You're just a middle class middle aged shit  
You sold your granny for a three-penny bit You own a street and a block of flats  
You earn your living like the other rats  
You've no morality, what do you care  
You deal in poverty, you buy despair I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some  
I ain't moving 'till the baliff comes  
I've got no weapons, gonna get me some, landlord, oh your my landlord
