

Goin' Down Slow (feat. Eric Clapton)

Howlin' Wolf

Man, you know I done enjoyed things that kings and queens
Will never have
In fact, things kings and queens can't never get
And they don't even know about it
And good times? I have had my fun
If I never get well no more
I have had my fun
If I never get well no more
Whoa, my health is fadin'
Oh yes, I'm goin' down slow Now look here, I did not say, I was a millionaire
But I said, I have spent more money than a millionaire
'Cause if I had kept all of the money I had already spent
I would've been a millionaire a long time ago
And women, well, googly moogly
Please write my mama
Tell her the shape I'm in
Please write old mother
Tell her the shape I'm in
Tell her pray for me
Forgive me for my sins
