

# Snoop Dog, Baby

## Reel Big Fish

But I just couldn't believe it  
When I turned on the radio  
Tried to run, tried to hide, tried to keep it inside  
They were playin' that song and I thought about her  
I said  
Snoop doggy dog, snoop doggy dog  
So much trouble in the LBC  
Livin' without her's gonna drive me crazy  
She's so  
Don't you just wanna kill me?  
'Cause you're talkin' behind my back  
Well, I love the band, now, they're a great bunch of guys  
But lookin' at her brings tears to my eyes  
I'm watchin' her shake, she gonna give a heart attack now, baby  
I said  
Snoop doggy dog, snoop doggy dog  
Maybe I don't want her back, you know?

I said, maybe I just can't let her go  
She's so  
Well, I turn the radio off, I don't want no part  
Try to make me a big star, but I don't wanna be a big star  
Everybody's mad, they wanna kick me in the head  
Was it somethin' I did, was it somethin' I said?  
I would try to tell you but I just don't wanna lie  
It really shouldn't matter but it makes me wanna cry  
I wish I didn't care, I wish I didn't care  
But I do, I do, she said  
She said  
Snoop doggy dog, snoop doggy dog  
Snoop doggy dog, snoop doggy dog  
Please don't tell me it'll be okay  
'Cause I know I'll never, never, never, never, never get away  
And so
