That Thing You Do

Busted

When I woke up
So proud to see you lying naked next to me
And the clothes you wore the night before
Were lying on my bedroom floor and
This is how I want it to be
You know it I want it that way
Baby, I don't know what to say
It's like that everyday
I never felt this way, yeah
I just don't know what to do
If I can't be with you
Girl, you know it's true
I love that thing you do
Seen everything
I dreamt it all last night, we did it in a waterfall
Then you turned around and I could see
This beautiful simplicity and
This is how I want it to be
You know it I want it that way
Now baby, I don't know what to say
It's like that everyday
I never felt this way, yeah
I just don't know what to do
If I can't be with you
Girl, you know it's true
I love that thing you do
I love that thing you do
I love that thing you do
I love that thing you do
'Cos I love that thing you do, yeah
Baby, I don't know what to say
It's like that everyday
I never felt this way, yeah
I just don't know what to do
If I can't be with you
Girl, you know it's true
I love that thing you do
Baby, I don't know what to say
It's like that everyday

I never felt this way, yeah
I just don't know what to do
If I can't be with you
Girl, you know it's true
I love that thing you do
I love that thing you do
I love that thing you do
I love that thing you do
