

# That Thing You Do

## Busted

When I woke up  
So proud to see you lying naked next to me  
And the clothes you wore the night before  
Were lying on my bedroom floor and  
This is how I want it to be  
You know it I want it that way  
Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl, you know it's true  
I love that thing you do  
Seen everything  
I dreamt it all last night, we did it in a waterfall  
Then you turned around and I could see  
This beautiful simplicity and  
This is how I want it to be  
You know it I want it that way  
Now baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl, you know it's true  
I love that thing you do  
I love that thing you do  
I love that thing you do  
I love that thing you do  
'Cos I love that thing you do, yeah  
Baby, I don't know what to say  
It's like that everyday  
I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl, you know it's true  
I love that thing you do  
Baby, I don't know what to say  
It's like that everyday

I never felt this way, yeah  
I just don't know what to do  
If I can't be with you  
Girl, you know it's true  
I love that thing you do  
I love that thing you do  
I love that thing you do  
I love that thing you do
