

# Gordon's Gardenparty

## The Cardigans

You in brown checked suit  
Said my dress was very cute  
I found you found me  
Dancing in this melody  
Heavenly!

We were swinging on so nice  
Bubbly pink champagne on ice  
Nancy, Jacques Closeau and Claire  
I believe they all were there  
Having the time of their lives

You had Rose's lime  
Mixed with vodka, I had wine  
People having fun  
Cocktails in the evening sun  
Give me one!

We were swinging on so nice  
Bubbly pink champagne on ice  
Nancy, Jacques Closeau and Claire  
I believe they all were there  
Having the time of their lives

La la la do de do de do
