A-town, late nights, them open 112  
Posted up as usual downstairs  
With a couple of clides dales  
Sippin zippin dale  
Got a sack of good  
Take a whiff enhale, blaze up  
Hate to bomb an bail, got some late cut  
She sure know how to shake her tail  
The way i hit it, make her want to brake up  
And leave her man, make up, an cheat again  
Take a, late blow, Comfort In, tucked her in  
Next week she said she'll bring a friendAll these lonely girls want to cut.... it's ok.....  
(x2)Thats aight girl, that's ok  
Keep callin me an beggin me an blowin me up... it's ok.....  
(x2)Thats aight girl, that's ok[Verse 3 - Andre Benjamin]  
She said I love my man, man man man, we got our ups an downs  
And ill get lonely and, and and and,  
want to go move to someone who might understand, stand stand stand  
How to make a girl feel like Alice And Wonderland, wonderland, wonderland  
Wonderin, if she can come home with guilt on her mind

Really all she truly wants to know is that she still fine  
After day you met her, better tell her, for another, feller  
Better, gettin, sit sittin, shit shittin, spit spittin, hit hittin All these lonely girls want to cut.... it's ok.....  
(x2)Thats aiight girl, that's ok  
Keep callin me an beggin me an blowin me up.... it's ok.....  
(x2)Thats aiight girl, that's ok
