## Fields Of The Nephilim

Moonchild  
Moonchild  
Moonchild Well it's a righteous dream  
But out of mind, yeah  
A righteous dream  
But out of mind, yeah Tend the horses  
Let them crawl  
Put them in their cages  
Open your eyes  
And despite what's deep  
Longevity  
Well, that's righteous for the weak Moonchild  
Lower me down, lower me down  
Moonchild  
Lower me down down down down down down Well it's a righteous day  
But out of mind, yeah  
Oh, it's a righteous day Never return, I will wait no more  
Take no prisoners in the promised war  
You'll die for this  
Die for this take them Moonchild  
Lower me down, lower me down  
Moonchild  
Lower me down  
Moonchild  
Lower me down  
Moonchild  
Lower me down down down down down down Here comes the silver pieces  
Can't you see you're losing me Moonchild  
Lower me down, lower me down  
Moonchild  
Lower me down  
Moonchild  
Lower me down  
Moonchild  
Lower me down down down down down down  
Moonchild  
Lower me down  
Moonchild  
Lower me down down down down down down Revisit to an empty hall

You can't see I've been burned before  
Well they tear you down and they'll bear your shame  
Longevity hear my painMoonchild  
And I'm waiting, and I'm raging  
And I'm waiting, and I'm raging  
And a white moon falls, a black moon calls  
Waiting to defy the oneMoonchild  
A longevity, a longevity  
I melt down where I burned before  
A longevity, longevity  
I melt down where I burned before  
And I know where you lay  
I melt down where I burned before  
And I know where you lay
