

Want One?

Guided By Voices

I have a positive hot gift
Want one?
A scoffer's clutch karma issue
Want one?
A nursery whip for men who skip
Want one? Living the dream of kings before children
Come inside I'll show you
A ticket to sugar pie
Yeah, I want one
A lesson before you die
Hey gimme one
I want one The Enemy Look me straight
Now blame it on loneliness
Who knows?
Certainly not them Where is this?
The lane that takes you head on
But for now
You do not/cannot contemplate
Certainly not you And silence is dread
'Cause look what you've done
Aligned outside no aim
Which follows me
Painted over a well cleansed abdomen
Tattooed ugly and blue
The enemy Watch and wait
A childproof survival kit
Just for a glimpse
Of the everlasting big kick Secrets bleeding to untold families
Lovers in flight over the gravesite
We become statues
In a ten acre garden
