I Love the Dead

Alice Cooper

I love the dead before they rise
No farewells, no goodbyes
I never even knew your now rotting face
While friends and lovers mourn your silly grave
I have other uses for you, darlingI love the dead
I love the dead
I love the dead soI love the dead
I love the dead
I love the deadI love the dead before they're cold
Their blueing flesh for me to hold
Cadaver eyes upon me see nothing
