

# I Love the Dead

[Alice Cooper](#)

I love the dead before they rise  
No farewells, no goodbyes  
I never even knew your now rotting face  
While friends and lovers mourn your silly grave  
I have other uses for you, darling I love the dead  
I love the dead  
I love the dead so I love the dead  
I love the dead  
I love the dead I love the dead before they're cold  
Their blueing flesh for me to hold  
Cadaver eyes upon me see nothing
