Slow Train

Shooter Jennings

Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Every night when I close my eyes  
My head hurts so bad  
that it blows my mind  
Every night when I close my eyes  
My head hurts so bad  
That it blows my mind  
Got a devil on my shoulder  
And that ain't nothing new  
I keep doin' what he says  
Cause there ain't nothing else to do  
Oh if you got the money  
I know where to spend it honey  
Gotta get myself straight  
Before I lose my cool  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
The only thing in my days of chains  
is this woman in my bed  
and this age in my brain  
  
The only thing in my days of chains  
is this woman in my bed  
and this age in my brain  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train

Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Woo hoo woo hoo  
Yeah  
Woo hoo woo hoo  
Oh yeah  
Woo hoo woo hoo  
Woo hoo woo hoo  
Yeah  
Woo hoo woo hoo  
Oh yeah  
Woo hoo woo hoo  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from  
Slow Ride on a slow train  
Gonna get back home and  
Tell 'em where I came from
