

Loving You Is Easy

[Austin Mahone](#)

We were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to my question
Like the words to a love song
Like a river to the red sea Finding you was so hard,
But loving you is easy [x4] We were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to my question
Like the words to a love song
Like a river to the red sea Finding you was so hard
But loving you is easy [x4] Love with you
I'm in love with you
Love with you
I'm in love with you
[x5] Finding you was so hard I think I finally found the one
Here comes a change
I think the change has just begun
I'm not the same [x2] I think I finally found the one
We were lost in the middle
Like bottles in the ocean
But we found one another
Like the answer to my question
Like words to a love song
Like a river to the red sea Finding you was so hard,
But loving you is easy.
