Call Me

Can

Call me when there's the hardest part,
The seat of fire, this war right track,
I think of you, you'll have a snake to find,
Sensation, all too fast.
Watch them go around the bend,
Mudmen mind, machine transent,
Heading for that free god friends
For our way around the bend,
For our way around the bend.
I can see your key, door once so thick,
Must find somewhere to feel the stick,
Reward the ways that take the flight.
It's three o' clock and there the crack,
Hoist men from the hurt way track,
Darkness crawling round the spot,
Driving there without a scratch
For our way around the bend,
For our way around the bend.
Voice spread, voice spread,
Voice spread, voice spread,
Voice spread, voice spread,
Find, come, find, come,
Find, find, find, find,
Find, find,
Come here, come here.
Watch them go around the bend,
Mudmen mind, machine transent,
Heading for that free god friends
For our way around the bend,
For our way around the bend.
Find, find, find, find,
Find, find, find, find,
They come, they come, they come, they come,
They come, they come, they come, they come.
