Humiliation

Disbelief

Wild confusion.
seperation, pain.
Dead or alive -
they'll go insane.They're the hunters
Their aim is to kill
Why're we here, why?
Surely, you'll die!Not with me, yet!
My whole life i always payed
Comprehend that!
Upset, stare, insaneThey're the hunters
They want extermination
Clear and distinct
Surely, you'll die!Surely, you'll die - HumiliationThey're the hunters
And you - keep your pride!
Stop the madness!
Surely, you'll die!Surely, you'll die - Humiliation
