

Born to Love You

George Duke

You walk into my life
And change the balance of my days
With your eyes you say
I am yours and you are mine
But still something's very wrong
No I can't just go along
Though you want to stay
I must find a reason to delay[Chorus:]
We're not the same
You play a game
I know
But if I keep my feelings strong
I'll find the song you sing
Though i can tell
We're worlds apart and in my heart it's clear
That Love has found a cloudy day
I'm here to say that
I was born to love youSuch a lovely face
With a warm and tender smile
Though I want you so
Something deep inside keeps saying
Don't trust your heart this time
Could my mind be playing games
Am I so betrayed
That my heart and mind can never be the same[Chorus]
