Would You Wait for Me

Brett Young

I donâ€™t wanna ask too much or be to bold
And I donâ€™t want to weight you down with a heavy load
Iâ€™ve heard you say that you can handle anything
What I really need to know

Would you wait for me
When I got to leave
Could I ever be
Everything you need
If I promise you my love
Could that promise be enough
Would you wait for me
Would you wait for me

I donâ€™t need a magic knight to make me feel
Like I'm living in a fairy tale
I know this love is real
Hear me when I say that whenever Iâ€™m away
My heart is with you all the same

Would you wait for me
When I got to leave
Could I ever be
Everything you need
If I promise you my love
Could that promise be enough
Would you wait for me
Would you wait for me

Looking back at where weâ€™ve been
From being scared to let you in
To you becoming my best friend
No matter where I travel to
Iâ€™m coming right back home to you
If you just wait for me

Would you wait for me
When I got to leave
Could I ever be
Everything you need

If I promise you my love
Could that promise be enough
Would you wait for me
Would you wait for me

Would you wait for me
When I got to leave
Could I ever be
Everything you need
If I promise you my love
Could that promise be enough
Would you wait for me
Would you wait for me
