

# Berserker

## Love Among Freaks

My love for you is like a truck, Berserker  
Would you like some making fuck, Berserker  
My love for you is like a rock, BerserkerThe Berserker is just so obscene  
Likes evil people you know what I mean  
He takes your soul and then just rips you apart  
He'll steal your heartWould you like to smoke some pot, Berserker  
My love for you is ticking clock, Berserker  
Would you like to suck my cock, Berserker  
Would you like some making fuck, Berserker
