

Moving in Stereo

Fu Manchu

Refrain:

Life's the same

Movin' in stereo

Life's the same

except for my shoes

Life's the same

You're shakin' like trembelo

Life's the same

It's all insane

It's so easy to blow up your problems

It's so easy to play up your breakdown

It's so easy to plop through a window

It's so easy to fool with the soundGuitar sequence

It's so tough to get up

It's so tough

It's so tough to live up

It's so tough - but youRefrainYou
