

Keep On Fuckin'

Nashville Pussy

Keep on fuckin'
Well, it's God's first commandment
Keep on fuckin'
Even a dog can understand itKeep on fuckin'
Well, of all the things I say to you
Keep on fuckin'
It's the only one you'll go and doHit itWell, listen up baby, I'll tell you just how things are, yeah
And the best thing about is that you don't even have to be smart, no
Because if you take all you want or just what you needDon't give a damn, or obsessed with greed
If the world kicks your ass, or gently leads you by the hand
There's just one thing we all understand and that'sKeep on fuckin'
Well, it's God's first commandment
Keep on fuckin'
Even the dogs understand itKeep on fuckin'
Well, of all the things I say to you
Keep on fuckin'
It's the only one you'll go and doGo, some people seem to love their grief
Yeah, but I got a little secret that'll outlast all of your beliefs, hah
If you're the world's greatest sinner, or pray every dayTalk all the time or ain't got much to say
Don't worship nothing or something I can't pronounce
There's only one thing that ever really countsKeep on fuckin'
Well, it's God's first commandment
Keep on fuckin'
Even the dogs understand itKeep on fuckin'
Well, of all the things I say to you
Keep on fuckin'
It's the only one you'll go and doYeah, keep on fuckin'
Well, it's God's first commandment
Keep on fuckin'
Even the dog can understand itKeep on fuckin'
Well of all the things I say to you
Keep on fuckin'
It's the only one you'll do and doYeah, yeah, yeah, yeah, yeah
Keep on fuckin'
Keep on fuckin'Yeah, yeah, yeah, yeah, yeah, yeah
Keep on fuckin'
Keep on fuckin'Yeah, yeah, yeah, yeah, yeah, yeah
