

# Brown Bag

## Boogaloo Joe Jones

Next motherfucker's gonna get my metal  
I got my lunchbox and I'm armed real well  
Armed real well, armed real well, armed real well  
The big bully try to stick his finger in my chest  
    Try to tell me, tell me he's the best  
    But I really give a good goddamn 'cause  
    Got my lunchbox and I'm armed real well  
    I got my lunchbox and I'm armed real well  
    So no one fucks with me, yeah  
Got the pencils in my pocket, try to put me down  
    Wanna go out, gotta get out, to the playground  
Gonna throw down at the playground, I wanna go out  
    Next motherfucker gonna get my metal  
    Next motherfucker gonna get my metal  
    Next motherfucker gonna get my metal  
    Next motherfucker  
    Pow pow pow, pow pow pow  
    Pow pow pow, pow pow pow  
I wanna grow up, I wanna be a big rock and roll star  
    I wanna grow up, I wanna be  
    So no one fucks with me, yeah  
    I wanna grow up, I wanna grow up  
    I wanna grow up, I wanna grow up, yeah  
I wanna grow up, wanna be a big rock and roll star  
    I wanna grow up, I wanna be  
    So no one fucks with me, yeah  
I wanna grow up, I wanna be a big rock and roll star  
    I wanna grow up, I wanna be  
    So no one fucks with me, yeah, yeah
