

# Baby, I Love Your Way

## Big Mountain

Ooh, baby, I love your way  
Everyday, yeah  
Ooh, baby, I love your way  
Everyday  
Shadows grow so long before my eyes  
And they're moving across the page  
Suddenly the day turns into night  
Far away from the city  
But don't, oh no hesitate  
'Cause your love just won't wait  
Ooh, baby, I love your way  
Everyday, yeah  
I wanna tell you I love your way  
Everyday  
I wanna be with you night and day  
Moon appears to shine and light the sky  
With the help from some fireflies  
I wonder how they have the power to shine, shine, shine  
Well I can see them under the pine  
But don't, oh no no, hesitate, la di da  
'Cause your love just won't wait  
Ooh, baby, I love your way  
Everyday, yeah  
I wanna tell you I love your way  
Everyday, yeah  
I wanna be with you night and day

Whoah baby, oh baby please  
Everyday  
I will love, I will love hon  
I love your way  
Oh baby please  
I can see the sunset in your eyes  
Brown and gray and blue besides  
Clouds are stalking islands in the sun  
I wish I could buy one, out of season  
But don't, oh no no, hesitate, la di da  
'Cause your love just won't wait, just won't wait  
Ooh, baby, I love your way

Every, everyday, yeah  
I wanna tell you I love your way  
I wanna tell you, I will love your pretty ways  
I wanna be with you night and day  
Everyday and in everyway  
Ooh, baby, I love your way  
Ooh baby, how I love your little ways, yeah  
I wanna tell you I love your way  
I wanna tell how I, I wanna tell you how I love your little ways  
I wanna be with you night and day  
Ooh, baby, I love your way  
Ooh baby, baby, baby yeah  
I wanna tell you how I love your pretty ways
