

# No One(TheAppleScruffs)

Maxwell

If I had to do it over, If I had to do it again  
I would've known, too and this would have neva began  
If I made you claustrophobic, Betcha if I gave u an inch  
You'll never know this but there's no one quite like, no one quite like you I try to forget ya but you're all I  
wanna do  
I can do better but there's no one quite like you I try to forget ya but you're all I wanna do  
I can do better but there's no one quite like you If I made you love me again (If I made you love me again)  
If I made you want it again (If I made you want it again)  
If I gave it you probably wouldn't want it, babe  
It's alright cause there's no one quite like you I try to forget ya but you're all I wanna do  
I can do better but there's no one quite like you I try to forget ya but you're all I wanna do  
I can do better but there's no one quite like you I try to forget ya but you're all I wanna do  
I can do better but there's no one quite like you
