Reason or Rhyme (Metamorfozy Orchestral Remix)

Bryan Ferry

Why must you shed such tender tears
In the evening of your years
No other love could stem the tide
Of the loneliness I hide
Open your heart and let me liveAll the promises I could give
The sun and moon and all the stars
They bow down to you whenever you pass
In a world of fading sadness
An emerald ring, a photographThat look in your eyes the brush of your cheek
These are the moments in life that I seek
No reason or rhyme, no presence of mind
Just a dance to the music of timeWhy must you shed such tender tears
In the evening of your years
No other love could stem the tide
Of the loneliness I hide
Inside out, upside downObscured by clouds, or underground
The sun and moon and all the stars
They bow down to you whenever you pass
Wherever you are, whenever you speak
These are the moments in my life that I seekNo reason or rhyme, by chance or design
Just a dance to the music of timeOpen your heart and let me live
All the promises I could give
The sun and moon and all the stars
They bow down to you whenever you passNo reason or rhyme, by chance or design
Just a dance to the music of time
