Love Heals

Rent

Like a breath of midnight air
Like a lighthouse, like a prayer
Like the flicker and the flare
The sky revealsLike a walk along the shore
That you've walked a thousand times before
Like the oceans roar
Love healsThere are those who shield their hearts
Those who quit before they start
Who frozen up the part of them that feels
(Don't freeze your heart)In the dark they've lost their sight
Like a ship without a star
In the night
But hold on tightLove heals
(When you feel, like you can't go on)
Love heals
(Hold onto love, it'll keep you strong)
Love heals
(When you feel like, you can't go on)
Love heals
(Hold onto love and it'll bring you home)Love heals when pain's too much to bear
When you reach out your hand
And only wind is there
When life's unfair when things like us are not to beLove heals when you feel so small
Like a grain of sand, like nothing at all
When you look out at the sea, that's where love will be
That's where you'll find me, you'll find meIf you fear the storm ahead, as you lie awake, lie awake in bed
And there's no one, no one there to stroke your hand
And your mind, your mind reels
If your face is salty wet and you're drowning in regret, justDon't forget, don't forget
Don't forget, don't forget
Don't forget, don't forget
Don't forget, don't forgetLove heals
(When you feel, like you can't go on)
Love heals
(Love, love is gonna carry you home)
Love heals
(When you feel like, when you feel like you can't go on)
Love heals
(Hold onto love and it will lead you home)
