

Lust to Love

The Go-Go's

It used to be the fun was in
The capture and kill
In another place and time
I did it all for thrills Love me and I'll leave you
I told you at the start
I had no idea that you
Would tear my world apart And you're the one to blame
I used to know my name
But I've lost control of the game 'Cause even though I set the rules
You've got me acting like a fool
When I see you I lose my cool Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love That was when the fun was in
The capture and kill
In another place and time
I did it all for thrills Love me and I'll leave you
I told you at the start
I had no idea that you
Would tear my world apart And you're the one to blame
I used to know my name
But I've lost control of the game 'Cause even though I set the rules
You've got me acting like a fool
When I see you I lose my cool Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love Lust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love
