Lust to Love

The Go-Go's

It used to be the fun was in The capture and kill In another place and time I did it all for thrillsLove me and I'll leave you I told you at the start I had no idea that you Would tear my world apartAnd you're the one to blame I used to know my name But I've lost control of the game'Cause even though I set the rules You've got me acting like a fool When I see you I lose my coolLust to love Was the last thing I was dreaming of And all I wanted was is just to love Lust is turned to loveLust to love Was the last thing I was dreaming of And all I wanted was is just to love Lust is turned to loveThat was when the fun was in The capture and kill In another place and time I did it all for thrillsLove me and I'll leave you I told you at the start I had no idea that you Would tear my world apartAnd you're the one to blame I used to know my name But I've lost control of the game'Cause even though I set the rules You've got me acting like a fool When I see you I lose my coolLust to love Was the last thing I was dreaming of And all I wanted was is just to love Lust is turned to loveLust to love Was the last thing I was dreaming of

And all I wanted was is just to love
Lust is turned to loveLust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to loveLust to love
Was the last thing I was dreaming of
And all I wanted was is just to love
Lust is turned to love
