Where Ya At (feat. Drake)

Future

Where your ass was at dog, when niggas wasn't feed me?
Where your ass was at dog, when bitches didn't need me?
Where your ass was at dog, when niggas tried to run off?
Where your ass was at dog? You made me pull this gun out
Where your ass was at, dog, you went and switched sides?
Where your ass was at, dog, when niggas was spread lies on you?
Where your ass was at, dog, when the bodies come slide?
Where your ass was at, dog, when I was serving piles?
Where your ass was at, dog, when niggas wasn't feeding?
Where your ass was at, dog, when bitches didn't eat?
Where your ass was at, dog, when niggas tried to run off?
Where your ass was at, dog? You made me pull this gun out
Where your ass was at, dog, when I was in the Pyrex?
Where your ass was at, dog, when I was drinking Hi-Tech?
Where your ass was at, dog, came through the projects?
Where your ass at we keep that fully loaded contacts
Had to rent that on the dick ass jocking
Running through the pussy like a nigga going jogging
Fuck a little Louis, put it in a bitch pocket
Put a pic with me on the gram now you popping
Where your ass was at when I was trapping in the stove?
Had to scrub to get where I'm at or sell dope
Jackie Chan moves got game in the choke
Gas rolling up and the blunt from the coast
12 jumpers came in the spot to open up the dope
Carlo, Bob, Joe gotta young nigga coughing
Janet out the stove and we still raised honest
Blowing on the O ho we call it full onionMan, where your ass was at when we took the city over?
Where your ass was at when all they ask us, where the hold up?
Where your ass was at when niggas first got the news?
Now your ass around because we're paying back dues
Where were you? When all the dogs needed help
Lawyers and the commissary ain't gon' pay itself
Where your ass was at when we recorded in the bathroom?
Where your ass was at I take attendance like a classroom
Man I ain't got no choice 'cause nowadays
I swear this shit done changed up for the boy
I'm self made, selfish with my women, self employed
I'll buy the neighbors house if they complain about the noise

Man, where your ass was at, dog, when niggas wouldn't feed me?
Where your ass was at, dog, when bitches didn't need me?
Where your ass was at, last winter was the coldest?
Fuck was you at? I had the 6 on my shoulderWhere your ass was at dog, when niggas wasn't feed me?
Where your ass was at dog, when bitches didn't need me?
Where your ass was at dog, when niggas tried to run off?
Where your ass was at dog? You made me pull this gun out
64 wide door bitch don't panic
Had them bitches fall through fucking like a savage
Heard you tryna swim in the ocean no jacket
Heard that nigga came through squeezing on a ratchet
Heard that nigga came through squeezing on a ratchet
Heard a lot of dogs who will call you a mutt
Where your ass was at dog, when I was in my cup?
The reason I'm here today is cause I never gave up
Where your ass was at, dog, when niggas wasn't feed me?
Where your ass was at, dog, when bitches didn't need me?
Where your ass was at, dog, when niggas tried to run off?
Where your ass was at, dog? You made me pull this gun out
Where you ass was at, when I was trapping at the stove?
Had to scrub to get where I was at and sell dope
Janet out the stove and we still raised honest
Blowing on the O ho we call it full onion
