

We Must Be Killers

Mikky Ekko

I woke up I was stuck in a dream
You were there you were tellin them everything
We all know how to fake it baby
We all know what we've done
We must be killers children of the wild ones
Killers, where we've got left to run
Killer, killer, killer, killer
Killer, killer, killer, killerSet my body free
Silver tacker s in the moonlight running
And the wind in the trees singing to you believeWe all know how to fake it baby
We know when its gne
We must be killers children of the wild ones
Killers where we got left to run
Killer, killer, killer, killer
Killer, killer, killer, killerWe all know how to fake it baby
We dont know what we've done
We must be killers children of the wild ones
Killers where we got left to runKiller, killer, killer, killer
Killer, killer, killer, killer
