

# I Hope You Get What You Deserve

[Jerrod Niemann](#)

Let's face the facts, you ain't comin' back  
Like a train down a track  
So much I'd change, even your last name  
But it's way too late for that  
And while I'm sinkin' low  
You're takin' the high road  
Hope you get what you deserve  
And now our past, like mental photographs  
I picture you with me  
As I lie awake in the bed I made  
While you're fast asleep  
It's a lesson that I've learned  
And a peace of mind you've earned  
Hope you get what you deserve  
What goes around comes around  
Sure you've got it comin' back to you  
'Cause karma has a funny way of settlin' all the things we do  
And girl, right now you know I hurt  
But baby, for what it's worth  
Hope you get what you deserve  
There's a world out there, it ain't all unfair  
Full of beautiful things  
And big or small, I hope you catch them all  
While you're chasing your new dreams  
With the hell that you've endured  
Go find heaven on earth  
Hope you get what you deserve  
What goes around comes around  
Sure you've got it comin' back to you  
'Cause karma has a funny way of settlin' all the things we do  
And girl, right now you know I hurt  
But baby, for what it's worth  
Hope you get what you deserve  
Since you left me behind  
Lord knows I got mine  
Hope you get what you deserve  
Hope you get what you deserve
