

# Emaline

## The Suntones

Now, I wish it was last September  
So we could lose ourselves in crowds everyday  
'Cause Emaline don't walk in time  
She's not the same that's all you can say  
When I've heard enough  
I tell myself that we've learned our lesson  
But I don't wanna walk away from Emaline  
They're talking now  
Does she know what they're saying?  
She's got the air to float above and  
I'm sinking into, someone should pay  
She's dear to me and so expensive  
Now, I'm not talking 'bout money  
When money talks, I hate to listen  
But lately it's been screaming in my ear  
And when I've heard enough  
I tell myself that we've learned our lesson

But I don't wanna walk away from Emaline  
It only took me one look to understand Emaline  
Sometimes, I don't know what she's saying  
Sometimes I do, sometimes I don't know what she's saying  
But I know, I know, I know what she wants to believe  
Now, I wish it was last September  
Don't let me walk away from Emaline for stupid reasons  
Now, I'm talking 'bout money, when money talks, I hate to listen  
But lately it's been screaming in my ear  
Oh, what advice, girls need attention  
Or are you different than all mine?  
For all it's worth, she's got attention  
For people accuse you black and white  
Now, I've heard enough  
I'll tell you what really shouldn't sit here and whine  
I'll take you down to see my Emaline, I wish it was
