But Now My Eyes Are Open

Tree63

You opened up my ears to hear the imperfections of my heroes
And those I held up to the sun are cracked and broken every oneThey spoke words of fire, they held my desire
But just because they look like You
Doesn't mean they honor You, no noBut now my eyes are open
I will only hope in You You You
You're the only hero
You're the only one who will never let me down
You'll never let me downHow could flesh and blook begin to lift me up out of my sin?
Yet You became the very thing, I looked for in earthly KingsI was longing for You, though I did not know You
I thought I would hear Your voice, if I made the same noiseBut now my eyes are open
I will only hope in You You You
You're the only hero
You're the only one who will never let me down
You'll never let me downThere has always only been You
Bright shining as the sun, the sunNow my eyes are open
I will only hope in You You
You're the only hero
You're the only one who will never let me down
Never let me down
Never let me down, no no no no noNow my eyes are open
And I will only hope in You You You You You
