Nite And Day

Al B. Sure!

Can you feel it, baby
I can
Excuse me
Do you think that I might be able to touch youI can tell you how I feel about you nite and day
How I feel about you, no, no
I can tell you how I feel about you nite and day
How I feel about youI'll love you more in the rain or shine
And makin' love in the rain is fine
A love so good and I call it mine
Love is blindI can tell you how I feel about you nite and day
How I feel about you, no, no, no
I can tell you how I feel about you nite and day
How I feel about youBelieve me when I say that I do care
I can tell you
I'd like to run my fingers through your hair
I can tell you
Baby, if you left I could not bear
I can tell you
Please don't shareDo you love me, please let me know
I can tell you
Don't hide the feeling, just let it show
I can tell you
A feeling so deep that comes within
I can tell you
What kind of love am I inI can tell you how I feel about you nite and day
How I feel about you, no, no, no
I can tell you how I feel about you nite and day
How I feel about youIf you and I were one, girl
The love we'd share would be so fun
Just take my hand and you'll see, girl
That we'd take off into another worldI can tell you how I feel about you nite and day
I can tell you how I feel about you nite and day
I'll love you more in the rain or shineI can tell you how I feel about you nite and day
Night and day, night and day, night and day
I can tell you how I feel about you nite and day
Making love in the rain is fineI can tell you how I feel about you nite and day
I can tell you how I feel about you nite and day
