Predator

Ã†quorea

the sky is great
is like is everyday
the town is full of ?
make me feel a certain way
hoping that some sushi put me in some ..
my eyes on the money the only reason i am gonna keep on
and i am back in the zone and is funny
.. the cologne ?i am back ?
hope the shit from my .. don't become me
horses like the dirty ?i am spitting .. give too much space
like the abducted .. i want it all like people me and ?
i am getting in the car see the top is always ..
i am not the one in . you mean i am .. bitches and ?
she jogging she is in the car with me she take me shopping
she trip me .. living out of my fathers hopes
chorus
the sky is great
is like is everyday
the town is full of ?
make me feel a certain way
hoping that some sushi put me in some ..
my eyes on the money the only reason i am gonna keep on
and i am back in the zone and is funny
.. the cologne ?i am back ?
hope the shit from my .. don't become me
all the folks use to think i was a piece of shit
used to beat crack money then i got my ..
i ain't just holding this gun i am sleeping with it
.. put it down outside

now is room service for dinner
i ain't even tell you .. for dinner
.. my niggers left like .. entrepreneur .. actors
leave you a car for a .. me and banks got our eyes on the ..
chorus
the sky is great
is like is everyday
the town is full of ?
make me feel a certain way

hoping that some sushi put me in some ..
my eyes on the money the only reason i am gonna keep on
and i am back in the zone and is funny
.. the cologne ?i am back ?
hope the shit from my .. don't become me
i am the best thing .. my haters
.. gangster favor our baby born .. family problem
.. kicking with some .. get the money
.. hope my enemies don't get none
.. side ways .. cool grammy bitches ..
competition and shook them right off the map
chorus
the sky is great
is like is everyday
the town is full of ?
make me feel a certain way
hoping that some sushi put me in some ..
my eyes on the money the only reason i am gonna keep on
and i am back in the zone and is funny
.. the cologne ?i am back ?
hope the shit from my .. don't become me
